# WHY AT 5.30AM?

# 5.30

- to promote daily physical activity
- to discover the city in a unique atmosphere;
- because the day is always so busy;
- because a little movement helps to start your day;
- because there is no traffic;
- because it does not steal family time;
- because the course is short and accessible to all;
- because it won't affect your weekend plans;
- because you get to eat delicious fresh fruit;
- because it takes very little to be happy!
